

About Julia
(Owner and Lead Trainer)
ABC Certification in Animal Behaviour
CCPDT-Knowledge Assessed

Julia is a spirited woman and graduate of the Animal Behavioural College in Canine Obedience. Her dedication and passion for the animals combined with her patience for the job makes her a very successful trainer. Julia has spent over 6 years in the training industry working with many different dogs and has developed a unique style of canine education. On top of teaching her own classes, Julia has spent the past few years working with puppies and adult dogs at Canine Academy, teaching classes for the College Royal Dog Show, and being the on-call trainer and assessment specialist for Needle-Nose Greyhound Adoption.

Needle-Nose Greyhound Adoption

Julia has been involved with Needle-Nose Greyhound Adoption for 7 years now, first as a fosterer for recent off-the-track greys, then an assessment specialist for home visits and re-homing cases. If you have any questions regarding your new adoption, a previous adoption, or questions about your greyhound in general please do not hesitate to ask!
